Dear Ms. Brown

On behalf of the Ministry of Health and the Medical Teams of the Roseau, Grand Bay, St. Joseph, Portsmouth, Marigot, Castle Bruce, La Plaine Health Centres and the Wesley Health Centre, I wish to thank you and the Dominica Cultural Awards Gala Committee for the eight (8) boxes of medical supplies donated by your committee and the Northeast USA Wesley Committee in January of this year.

The supplies were put to good use by the various health centres.

I thank you once again for your kind and humanitarian gesture.

Yours sincerely

.....
